- Our Lady and St Thomas school is a catholic primary school located in Willington
- One class per year with about 18 students per class (Reception to Year 6)
- As students are in the same class for multiple years there is a very strong community and supportive environment

- Initial phone call with Teresa
  - Increase confidence in girls ability in maths
  - This goes hand in hand with maths anxiety in girls
  - In the long term this could possibly increase performance in girls, increasing number of girls achieving 'Greater Depth' in SATs
